

December 2021

Dear Parent or Guardian,

Thank you for choosing to give your child(ren) the gift of a Catholic school education, a gift that we realize is given at great sacrifice for many families. For the 2022-2023 school year, we are blessed to provide Diocesan school financial aid to support low-income families who send their children to our elementary and high schools.

To be eligible your child(ren) must be Roman Catholic, must be entering grades K-12 in September 2022, must be registered with your household in one of the parishes within the Diocese of Metuchen (please see the list of eligible parishes on the back of the Application Instructions Form), and must attend 1 of our 22 diocesan, parochial, or regional elementary schools, or Immaculata High School or St. Thomas Aquinas High School. Students attending the two private high schools in our Diocese (St. Joseph High School and Mount Saint Mary Academy) will need to seek assistance directly from those schools or from Hope through Education (<https://hopethrougheducationusa.org>).

Families that require computer access and/or help with the online application should contact the school/s where you plan to enroll your child/ren.

Application instructions, with deadlines, are attached and are also available online at diometuchen.org/tuition-assistance. Please note, **you are responsible for completing the Parish Verification Form, getting it signed by your Pastor, and returning it to the school or schools where you plan to send your children.** If you are enrolling children in more than one school, you should submit a copy of the completed, signed Parish Verification form to the additional school/s.

We are not able to consider an application without this form, signed by you and your Pastor. Please call your parish if you are uncertain about your registration status. If you have application questions, please call FACTS Grant & Aid at 866.315.9262.

Thank you for the blessing you are to our children and our church and for your commitment to Catholic school education.

Sincerely,

Ellen Ayoub
Secretary of Education
