“The Mission of Perth Amboy Catholic School is to enlighten, inspire, and nurture the minds, hearts, and souls of the children entrusted to our care and their parents with Gospel Values and Academic Excellence.”

December 2, 2021

Dear Parents/Guardians,

We have just been informed that 5 students have tested positive for COVID-19. The students will be quarantined and our school will implement the safety protocols recommended by the NJ Department of Health and the Diocese of Metuchen. Per CDC guidelines, we are also quarantining primary contacts.

As a precaution and in cooperation with the local health department, our school will take the following steps:

Members of the class cohorts and exposed will be contacted and will be expected to quarantine for 14 days. They will not return to school until they have completed isolation procedures for COVID-19.

The school will follow disinfection guidelines

Students will continue to be encouraged to sanitize before and after transitional classes, and before and after lunch

If your child is exhibiting any of the following symptoms, please contact your medical provider and follow their advice: cough, chills, shortness of breath, a temperature higher than 100.4F, fatigue, headache, muscle or body aches, sore throat, congestion or runny nose, or a loss of taste or smell.

More information on the symptoms of COVID-19 can be found on the Centers for Disease Control and Prevention’s website: www.cdc.gov/coronavirus. If you have any questions regarding the information in this letter, please contact us.

We are grateful to you for your anticipated cooperation as we continue to navigate these challenges and ask that you please join us in praying for the rapid recovery of our students.

In Christ,

Anacelis Diaz
