“The Mission of Perth Amboy Catholic School is to enlighten, inspire, and nurture the minds, hearts, and souls of the children entrusted to our care and their parents with Gospel Values and Academic Excellence.”

December 29, 2021

Dear Perth Amboy Catholic Parents/Guardians and School Community,

We hope your winter break and Christmas Season has been a healthy, peaceful, and relaxing one.

While we understand some of our families have struggled through the holidays due to health or family circumstances, we hold on to this truth: we are fully known and loved by God. Our prayers will remain with our entire school community as we keep on marching together through the school year. God has blessed us with families which make many sacrifices so that their children can gain a full education, one that satisfies their mind and soul. The PACS faculty is equipped and ready to continue giving 110%. It is your child(ren) that inspires us to continue to persevere through the obstacles and life challenges presented before us. In each student we find our purpose in fulfilling our vocations as educators. They are resilient, so we can be too. It takes a village to raise a child, and together, with God’s help, we will rise.

With the recent uptick in COVID-19 positive cases, we will continue to prioritize safety and health measures. It has been through the diligence and great effort of our PACS community that we have endured in maintaining in-person instruction. We will welcome our students back to school on **Monday, January 3, 2022**. In efforts to best ensure a safe opening, please take note of the current data from NJDOH.

- Students who test positive for COVID-19, or are considered “close contacts,” must isolate/quarantine for 10 calendar days.
- If a student is identified as a “close contact,” he/she may end quarantine after “Day 7” by providing a negative COVID-19 test result collected between days five and seven.

Please email Nurse Linda Dougherty (linda.dougherty@pacatholicsschool.org) should you need to report whether your child or household needs to quarantine due to COVID or close contact. We appreciate your cooperation and support in honoring the well-being and safety of our school community.

The past two years have taught us all some difficult lessons such as the importance of family, faith, and hope. In a time of uncertainty, we hold on to this promise:

“Behold, I make all things new.” And He said to me, “Write, for these words are true and faithful.” Revelation 21:5

May this new year bring an abundance of joy, peace, grace, and healing. Together we will turn the page into a new chapter full of life. See you all in the new year!

Sincerely,

Anacelis Diaz
